

## **INLAND SERVICES**

### **Combined Transport Bill of Lading (CTBL) Services**

With extensive experience in Shipping and Logistics, Springate Shipping & Logistics Ltd provides Through Transport Services (TTS) to and from the Land-Locked Countries of Burkina Faso, CAR, Chad, Mali, and Niger. If you require to transport your cargo to an inland destination within West Africa, then you need our CTBL service. We take responsibility for the safe shipment and delivery of your Cargo by land. We arrange all your shipping, trucking, and transit formalities, giving you the confidence that comes with entrusting cargo to a single experienced organization.

**Bills of Ladings:** Combined transport bills of lading are issued on a door to door basis to cover transactions from anywhere in the world to all major destinations in the West and Central Africa. Using a single document, the Combined Transport Bill of Lading (CTBL), we provide a competitive through transport tariff giving customers ready access to simplified all-in quotes with charges made under a single invoice.

#### **Advantages:**

- Global Services
- Single bill of lading
- Competitive tariff
- Simplified all in quotes
